

FFA FLAG

I am the flag of the FFA... I represent the fulfillment of your impossible dreams. I represent over one half million FFA members all over this great nation. I stand for the young men and women of America who are willing to meet the challenges of the future. Young people who are developing themselves to be more responsible citizens and better leaders. I am the blue and gold of the FFA. My blue background represents the solid foundation which you have in this great nation and in this great organization. My streak of gold stands for the golden opportunities that are offered to you and the responsibility that goes with each. The opportunity and responsibility that helps you develop yourself, as long as young men and women strive for agriculture, leadership, cooperation and citizenship, I shall continue to represent the greatest agricultural youth organization in the world. But I will always be what you make me, nothing more, fellow FFA members, you are the makers of the flags which represent you, may you always glory in their making.

THANK YOU
