2021-2023-Fort Bend County Fair JR. Volunteer

Howdy Area III,

Area convention is finally upon us! My name is Bailey Stockland from the Ridge Point FFA chapter. My passion for agriculture ignited when I saw my sister thriving in FFA. I knew from those moments I wanted to be as involved as her and be the reason for others to join FFA. When I look back on the past three years, I'm amazed at how much I have grown from not being able to speak in front of judges for creed speaking to now speaking to hundreds of people. I have been able to grow not only as a member but as a person because I have had people supporting me and keeping me going. That's what I want to do for others - be the person people look to for guidance. This past year I have had the honor of being Vice President for the Southwest district, and from this experience I have been able to meet so many new people. I have also had the opportunity to gain organizational and communication skills to better myself and help others. This next year I will keep dedicating my time to help advocate for FFA and help teach others the skills I have obtained. In addition to this, I will also stay eager to keep learning more about agriculture and share my knowledge with Area III. This next year it would be my honor to guide Area III on an AGventurous year!

Your Area III candidate,

*Bailey Stockland*
