2022: Area III Elite Conference

Hey there area 3!

My name is Olivia Nugent, from the Lake Houston District and the Spring Branch FFA chapter. Thank you so much for being here, we're all so happy to have you! I'm excited to have the opportunity to run for area office, and to be able to represent my chapter and my district. Being a member of the SBFFA for almost eight years, this has always been a goal of mine, to be able to serve my chapter, district, and hopefully, my area. Having a passion for agriculture like I do, you're constantly wanting to go higher, meet more people, and have the opportunity to connect with more people to potentially help further their passion for agriculture, too. This past year as LHD President, I've been able to meet more people than I could've ever imagined, and I like to think my team helped further their passion for agriculture. In watching how other people share their passion for agriculture, makes me even more excited about the where agriculture can take each one of us. The idea of connecting with more people is something that I look forward to as an area officer. Vote for me, Olivia Nugent, to see all that we can do!

Olivia Nugent
