Hey Howdy Hey Area III FFA!

I'm Natalie Troyer from the better than Texas Toast Gulf Coast and the Clear Brook FFA Chapter. I am so excited to have the opportunity to serve all of you as a 2023-2024 Area III Officer.

Having the chance to serve as an area officer is an absolute dream come true. Through FFA I have developed my potential and learned how to become a better leader. I hope to give back to the organization that shaped me in any way possible. As an area officer I hope to help you find your potential and learn alongside you about all the opportunities available in FFA.

Serving this past year as a district officer offered me countless friendships and memories. I hope to continue to grow myself, create more memories and grow the area. My goal is to develop and push the area to be the best it can be and keep Area III THE place to be!

Thank you all so much for this opportunity!

- Natalie Troyer
