

Howdy Area 3,

My name is Samantha Skinner and I'm from the Jordan FFA Chapter. Picture this: It's your first morning at the National FFA Convention and you are getting your free breakfast in the comfort of your hotel. Next thing you know, your walking into a cloud of smoke and see a flaming bagel surrounded by your friends in a panic. I soon realized that it was all because of my friend who put a whole bagel into the toaster oven. How did I heroically respond, by whipping my phone out, and capturing the whole thing. Capturing that moment made it possible for us to live in it forever.

I had never pictured myself in FFA. But now i can't picture my life without it. As an area officer I will encourage our members to have the courage to experience something different and ultimately find their "home" within the organization. Each time I look back at the pictures and videos that i have of all of the moments in my FFA journey, I am reminded that I have found my home within the people and the memories I make within the FFA. It is my goal to create that same feeling for anyone I may cross paths with. So Area 3, allow me to be in your picture and serve as one of your 2023-2024 Area 3 Officers!

Thank you,

Samantha Skinner
Area 3 Officer Candidate
