Howdy, Area 3! My name is Richard

Ward from the Klein Forest FFA

Chapter and The North District FFA

Association. I am excited to have the opportunity to represent this beautiful

organization at the Area level. I truly

have a passion for what this

organization stands for and what it has

to offer, and like most of you, I

wouldn't be here today if it weren't for

my Ag Teacher. I can't wait to create

lifetime friends and lifelong memories!
