Howdy Northwest District!

My name is Augustus Mushinski from the Bridgeland FFA Chapter and I hope to serve YOU as one of your 2023-2024 Area III Officer candidates!

For the past three years, I have been very active in our organization and plan to continue with my involvement. FFA has taught me so much about serving others in my community which I have been able to do through serving both Bridgeland FFA and The Northwest District as an officer the past 2 years. The experiences I've had and the people I've met on my journey have made me into the person I am today. I hope that through serving others, I can inspire members to serve in their communities and become more involved in their FFA chapters.

This past year, I have had the privilege to be your Northwest District Secretary and I couldn't have asked for a better district to serve. It has been an honor to meet each and every one of you and I will cherish the memories we've made for the rest of my life. This next year, I hope to continue to build our relationships and help create long lasting memories as your Area III Officer!

Thank you,
Augustus Mushinski
Bridgeland FFA
