Hey Hey Hey Area III FFA!

I'm Cody Gonzales from the salty but sweet Gulf Coast District and the Deer Park FFA Chapter. I am so thankful that I have the opportunity to serve all of you as a 2024-2025 Area III Officer.

Ever since my first area convention it has been a dream to serve as an area officer. The FFA has opened so many doors of opportunities for my future and current life. I wish to give back to all of y'all for all of the opportunities and skills that I have been given through the FFA. As an area officer I hope to break the barrier from area officer to chapter officer to guide and assist each and everyone of you to build an unbreakable Area III!

Serving this past year as a district officer opened my eyes to the love that I have to open doors of opportunities to others and gaining friendships with others. As I continue my service this upcoming year, my goal is to help everyone find their purpose in the FFA to which is a key component in keeping Area III the bright light it is within Texas FFA and to continue making the light brighter to shine through the FFA!

Thank you all for this great opportunity!

- *Cody Gonzales*
