What's Going on Area 3 FFA??!!

My name is Hunter Stacey from the Gulf Coast District and I am absolutely blessed with the opportunity to represent the PLACE TO BE Area III as a 2024-2025 Area III Officer.

Over the past 3 years I've found myself continuously being active and growing in this organization. I've learned to serve whether it's my peers or my community, using outlets such as the Dobie FFA chapter as the President or the Gulf Coast District as the Treasurer. With the help of my ag teachers, I've not only been able to compete on various CDE and LDE teams, but I've been able to experience many possibilities to help me grow my skills as a leader in the FFA.

Having the opportunity to serve the Gulf Coast District has been a blessing in disguise. Not only have I met tons of people and built numerous connections, but I've lived the experience and made these wonderful memories with the amazing members of the Gulf Coast District that will last me a lifetime. As I continue on, I hope that I can live those same experiences with ALL the members of Area III as your next officer.

Thank You,

Hunter Stacey
