Hello Area III!

We ARE the BEST place to be!

My name is Samantha Rangel Salazar and I'm here, fully committed to the opportunity to serve as your next Area III FFA President! I am currently serving as a Madison FFA Chapter officer, and just retired as the Lake Houston District Treasurer! I am excited to become a member of the Area III Officer Team because I want to continue serving this great organization, we all love and further serve all the great members of Area III. I am motivated to make my fellow members, advisors, family, and myself PROUD by taking advantage of each opportunity provided and proudly representing all of us as I wear this blue and gold jacket. The FFA has an incredible story.... And I'm looking to write the next chapter with you!

I am excited for this opportunity and cannot wait to see what the future holds!!

With all my love,

Samantha Rangel Salazar
