Hello Area 3,

I never thought this day would come! It is time for me to run for Area Officer. Hello, my name is Madelyn Roxburgh, I am from the James E Taylor FFA chapter.

These past three years, I have been an FFA member, I have learned more than I thought I could in my whole lifetime. I have gone from thinking I couldn't do anything to doing things just because they look challenging. I have been able to do everything that I've done only because of the confidence that I have gained from being in FFA.

As someone whose life was changed for the better by FFA, I feel inspired to do the same for other kids by advocating for our organization. These past three years I have overcome my fear of public speaking and gained the confidence needed to be here and run for officer. I can truly say I would not be here today without the officers and members who came before me. They have changed my life for the better forever. So now it is my goal to lead the members in Area 3 to break through their comfort zones and advise those to help and encourage others because we are a family.

Your Area 3 candidate,

Madelyn Roxburgh
James E. Taylor FFA
Vice President
