Howdy Area 3,

My name is Hannah Funderburk from the Foster FFA Chapter. I'm so excited to have the opportunity to serve all of you as an Area officer! Joining the FFA has been such a dream and one of my main goals is to spread the word and to expand the FFA as much as possible. My years within the FFA has taught me how to be an amazing leader. It has taught me so much about how to public speak as well as how to organize events to make them as fun as they can be.

I have been a part of my schools FFA chapter for the past three years and have been very active. I have been an officer at the Chapter and the District level and have been to almost every event under the sun, whether it was for myself or for someone else I have been to many places. Throughout my time in the FFA I've met so many people that have turned me into the person I am today and that's exactly how I would like to be for each and every one of you. I would like to work with everyone in order to help y'all grow into amazing men and women.

I couldn't have asked for a better time in the FFA, and I would like to share the experience with everyone I meet. This next year I hope I can help you grow to love the FFA just as much as I do while having such an amazing time.

Your Area 3 Candidate,
Hannah Funderburk
