Howdy howdy let's get rowdy Area 3! My name is Crystal Capetillo and I am from the loud and proud Klein Collins FFA Chapter and The North District! I am so incredibly humbled and blessed to be able to serve the area this year as an officer! Coming from a background who has no agriculture experience, joining FFA I had almost no idea what I was getting myself into. After three whole years of devoting my time to the FFA, I have found a great love for the organization. I can't wait to see all of y'all at area convention, and make this year AMAZING!
