FFA Leadership Roles

- 2021 – 2022 Klein Oak Chapter Secretary

Hey Hey Hey AREA III! I am Graham Wristers, a member of the North District and Klein Oak FFA Chapter. I am so grateful for this opportunity to serve Area 3. I'm ready to take on the responsibility and ____ that comes with being an area officer. I've had an amazing opportunity to meet and befriend some of our current Area III officers. They have taught me so much and have inspired me to always push myself to be better. I'm ready to use the lessons I learned from the people before me and use it to help me become a better Person, Friend, and Officer. I will try my hardest to provide a positive impact for all FFA members by fostering a fun and enjoyable environment for all.

I'm so excited to meet every one of y'all this upcoming year and develop amazing friendships. FFA has given me so many opportunities and opened so many doors that no organization has given me. I hope that I will be able to provide those same opportunities that the ones before me gave me. I can't wait to create memories with each one of you.

FFA has changed my life. When I was a kid, I would never would have imagined I would be in this position. I was just a normal kid who had a love for sports and really football and had no agricultural background. Now I'm about to become a senior and blessed with a chance to be on the Area III Officer. I'm so excited to see what the future holds and that first step to make it just that much better would be to vote for me!! Let's keep Area III the place to be!!!!
